## TRUSTART Industrial Battery

### Introduction

CUMMINS TRUSTART Industrial Battery is a Ultra Low Maintenance Industrial Battery specially designed for the heavy duty applications of construction and mining industry, with standing extreme climatic condition and providing assured starting capability every time.

### Features & Benefits

- **Charge eye** - Unique acid level indicator which eliminates the need to open the service plugs
- **BIC vents** - To reduce acid loss
- **Ultra low maintenance** - Very low topping frequency
- **Higher CCA** - Radial grid design offers higher CCA for quick starting
- **Rugged construction** - Ribbed container resists shock and vibration damage and withstands high temperature, making it truly suitable for the extreme conditions
- **Special hybrid alloy system** - Minimizes water loss thus promoting long service life
- **Factory filled and charged** - For immediate fitment

Battery Dimensions (mm)									
Sl. No.	Battery Part No	Battery Rating	Length	Width	Height	Approx. Weight (Kg)	CCA (JIS)	RCT (min.)	Warranty
1	AX1013419	12V/100Ah	333	176	234	25	650	198	18 + 6
